The mission of the Integrated Student Success Committee is to advance equitable student access, success, and completion at Santa Rosa Junior College through the creation and development of integrated goals. The Committee will provide a platform for collaboration and communication across the District that results in the integration of student success efforts including, but not limited to the programs under the Student Equity & Achievement program (formerly the Student Success and Support Program (SSSP), the Student Equity (SE) Program, and the Basic Skills Initiative (BSI)).
