*Please describe the specific activities supported by SEA funds.*

Even though not directly funded by SEA during 2019-20, there were multiple SEA personnel, resources and activities indirectly provided throughout the academic year to the SRJC Student Body via SGA.

*Share any highlights or achievements your group had during the year – refer to the following data if applicable.*

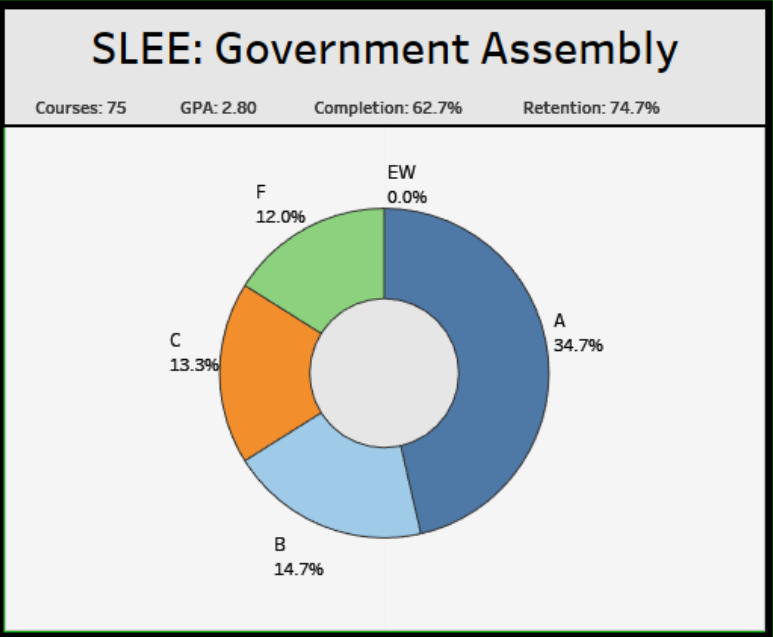

SGA reaches **equity target groups**, specifically:

- 70% of student government officers are Low Income, far greater representation than Low Income District-wide (32%).
- Latinx, First Generation and DSPS are also represented well in student government.

SGA has an overall **fall to spring persistence rate** of 100% compared to 55% District-wide, with multiple target groups completing at 100% compared to approximately 50% District-wide.
