#### ISSC Visioning *Lauren Servais*

- Need for a clear definition of what the "equity" is so that it does not become a "floating signifier" with many different meanings
- The committee worked on the document in small groups
- Some questions/issues:
  - Revise board policy on this subject
  - Is meeting the district demographic population enough?
  - Reaching broader population through online courses
  - Need for safe learning environment
  - Look into the composition of this committee
  - Is reaching similar outcomes a goal of equity
  - How do we move forward?
