SLEE: Inter Club	Engagement	Hilleary	619	670	10 - 40	\$32,000	%
Council (ICC)	Engagement	Zarate	019	070	10 - 40	\$52,000	/0

Please type in your responses to the below questions within the space provided.

Summarize your projects' overall goals and/or intentions for students.

Inter-Club Council (ICC) is the governing body for over 50 student clubs during the 2019-20 academic year, including academic, affinity, sports and interest groups. At minimum, each student club must have one (1) Advisor, one (1) President, and one (1) ICC Representative. ICC meets weekly during the fall and spring semesters to promote student club's goals, aspirations, and highlight the diversity of passions and interests at SRJC. ICC recognizes the importance of being actively involved in the things students care about, and hope to encourage student participation through the clubs. ICC promotes the general welfare of SRJC students, the college, and the community.

Please describe the specific activities supported by SEA funds.

The Coordinator, Student Engagement Programs is partially SEA funded. The role of this position is to be the ICC Advisor and engage and support all student clubs, including events, activities and workshops.

Share any highlights or achievements your group had during the year – refer to the following data if applicable.

ICC reaches equity target groups, specifically:

- 8% of student clubs are African American, far greater representation than African Americans District wide (2.5%).
- Low Income and DSPS are also represented very well in student clubs.

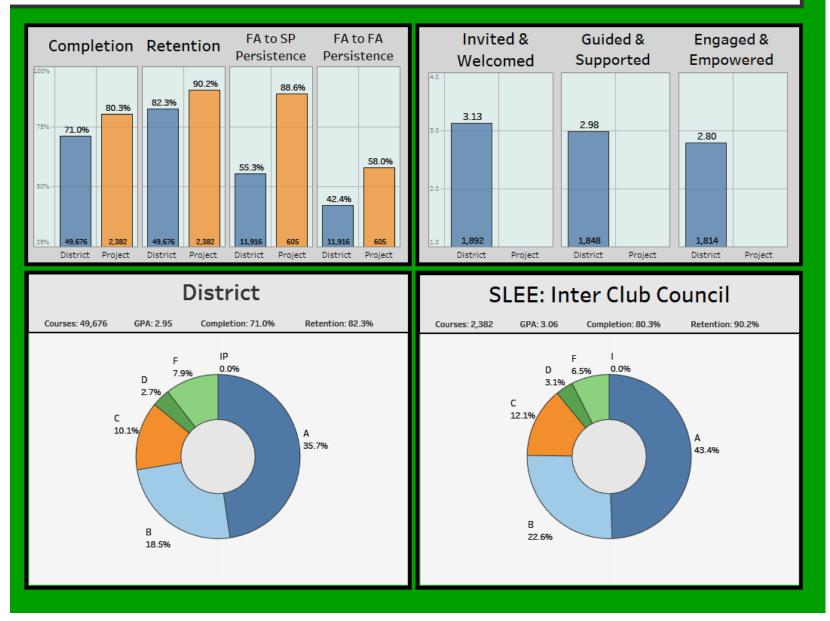

ICC has an overall **course completion rate** of 80% compared to 71% District-wide, with African Americans completing at 78% compared to 59% District-wide.

ICC has an overall **course retention rate** of 90% compared to 82% District-wide, with African Americans completing at 92% compared to 77% District-wide. Asian students who are involved in student clubs show much better course retention than non-Asian students, along with first generation and LGTBQ students.

ICC has an overall **fall to spring persistence rate** of 89% compared to 55% District-wide, with African Americans completing at 90% compared to 47% District-wide. Latinx students who are involved in student clubs show much better fall to spring persistence than non-Latinx students, along with low income, Veteran and foster youth students.
