## THE SPRING BACK INTO ACTION CIRCLE DIALOGUE AND ACTIVITIES:

- We involve stakeholders:
- We have a wide representation of educators.
- We recognize education/educators have caused harm
- We are here as a stakeholder in that; as proxies
- We mindfully recruit the right students to participate, in an effective way
- We build community with open ended reflective exercises. We allow those who are harmed to identify their need through truth telling.:
- Reflect and share on past mistakes
- Reflect and share where others have failed or harmed them
- Reflect and share on how this point in time can be transformative

# THE SPRING BACK INTO ACTION CIRCLE DIALOGUE AND ACTIVITIES (CONT'D):

## We take action:

- We introduce stakeholders to their Success Network; .an SRJC network of support.
- We ensure follow up contacts are scheduled so that the community continues
